18-20 OCTOBER 2019 ISTANBUL

LET'S MEET WHERE THE CONTINENTS MEET

**PROF.DR.
HASAN MERİÇ**
MIA PRESIDENT

Dear Colleagues,

We are delighted to invite you to attend the MIA World Symposium from 18-20 October 2019 in Istanbul.

The scientific program will consist of hands-on courses enriched with current topics in dental implant applications under the roof of "New Era in Implantology" organized by MIA Academy, in addition to the conferences with lectures from the top international experts in the field.

Our symposium is an important platform to bring together leading academic scientists, dentists, surgeons and prosthetic specialists to exchange and share their experience and the latest developments in professional and scientific aspects.

In addition to the scientific program many entertaining activities in the magnificent Bosphorus of Istanbul, which brings the continents together are waiting you. The participation is limited, so be hurry to register. We look forward to welcoming you to the MIA World Symposium!

Sincerely Yours,

GREAT OPENING COCTAIL WITH BOSPHORUS VIEW

A Natural Synergy "Prp-Rapid Implant": Sinus Lift + Immediate Implantation + Plasma-Therm Protocol.

The placement of a dental implant in the edentulous posterior maxilla often is followed with many difficulties as result of an insufficient bone due to pneumatization of the maxillary sinus and bone resorption after extraction. Recently, we have developed new Plasma-Therm protocol for production of new (fully autologous) graft material and barrier membrane. PRP derives "elixir of life" & RAPID Implant system - Natural Synergy
